AUDITOR'S REPORT ON THE STATUTORY SUSTAINABILITY REPORT

**To the Annual General Meeting of HAKI Safety AB (publ),
corporate identity number 556323-2536**

Engagement and responsibility

It is the Board of Directors who is responsible for the statutory sustainability report for 2023, on the pages 6, 16-18 and 23-24, and that it has been prepared in accordance with the Annual Accounts Act.

The scope of the audit

Our examination has been conducted in accordance with FAR's standard RevR 12 The auditor's opinion regarding the statutory sustainability report. This means that our examination of the statutory sustainability report is substantially different and less in scope than an audit conducted in accordance with International Standards on Auditing and generally accepted auditing standards in Sweden. We believe that the examination has provided us with a sufficient basis for our opinion.

Opinion

A statutory sustainability report has been prepared.
